Dear Patient,

I would like to take this opportunity to share some exciting news. On July 25th we will be welcoming my son, Dr. Drew Hines, to the practice. Over the last 37 years I have been very fortunate to work in a career that I love; however, now it is time for me to take a step back. While I will still be around, you may not see as much of me as Dr. Drew Hines takes on a greater role. The practice will remain essentially the same with some minor updates and we will continue to honor any dental insurance benefit plans. Please be assured that our wonderful staff will remain the same and be here to assist you in anyway.

I am proud to have a son follow my footsteps in dentistry and I know he will continue to provide you with the best dental care. Dr. Hines was born and raised in Charlotte and graduated from Myers Park High School. After high school he attended NC State University where he graduated Summa Cum Laude. Then Dr. Hines attended the University of Florida College of Dentistry where he met his wife, Marilee. While in dental school he took additional courses in endodontics, Invisalign, and implants.

After dental school Dr. Hines moved to Tampa to work in general dentistry for the last five years. He is an active member of the Academy of General Dentistry and American Dental Association. His membership in these organizations has led him to take many additional courses to improve his knowledge and skills. It is this commitment to dentistry that allows him to provide the best possible services to his patients.

During his free time you will find Dr. Hines running and cheering for the Panthers. If you would like to meet Dr. Hines prior to your next appointment please contact our office to set up a consultation.

Please join me in welcoming Dr. Drew Hines to the practice!

Kindest Regards,

Andy Hines, DDS
